Looked After Children Policy

The curriculum is at the heart of a school's purpose and our curriculum reflects our core values. Our entire curriculum is designed and implemented to ensure our students embrace the following values.

	Love Learning	To develop in students a love of learning. Bishopshalt students will thirst for knowledge due to the intrinsic joy that it brings.
	Show Kindness	To develop and instil in our students the virtue of kindness. Our students do things for others for no personal gain.
	Build Character	To develop in students the determination and dedication to succeed. Bishopshalt students are able to overcome any challenge that may come their way. Our students are focused, resilient and readily overcome adversity.
	Chase Brilliance	To develop students who do not settle for 'it's good enough'. Bishopshalt students always aim to improve their work and aim for perfection due to their belief that they are entitled to be brilliant.
	Bright Futures	To ensure that, for whatever field they choose to enter, Bishopshalt students succeed. Bishopshalt students will be the very best versions of themselves and compete on the world stage.

At Bishopshalt we recognise that:

- Improving educational outcomes is the biggest way we can positively impact our students' futures. School is preparation for life, and as such we intend to provide the very best curriculum to provide as many opportunities for students to excel as we can.
- We take the term 'educational' in its most broad sense: this means more than just a set of results. It includes a child's intellectual development, but also social and emotional development, citizenship and responsibility, happiness and success.
- We hope that this vision is 'lived' in the way teachers develop the curriculum and the way students experience it.
- We want a curriculum that is effectively designed and implemented, that is true to subjects' core content and concepts, develops a love of lifelong learning, and creates beautiful work, expertise, fascination and wonder.

1. Statutory framework

Under the Children Act 1989, a child is looked after by a Local Authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. Such children fall into four main groups:

- children who are accommodated under a voluntary agreement with their parents (Section 20);
- children who are the subjects of a care order (Section 31) or interim care order (Section 38);
- children who are the subjects of emergency orders for their protection (Sections 44 and 46); and,
- children who are compulsorily accommodated – this includes children remanded to the Local authority or subject to a criminal justice supervision order with a residence requirement (Section 21).

The term 'in care' refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 - they may live with Foster Carers, in a Children's home, in a residential school, with relatives or with parents under supervision. Children who are cared for on a voluntary basis are 'accommodated' by the local authority under section 20 of the Children Act – they may live in foster care, in a Children's home or in a residential school. All these groups are said to be 'Looked After Children' - LAC.

The following policies may also be relevant to the Looked After Children Policy:

- Safeguarding
- Admissions
- Anti-Bullying
- Behaviour for Learning

3. Purpose

The school recognises that nationally there is considerable educational underachievement of children in residential and foster care, when compared with their peers. We are committed to providing an educational environment which seeks to significantly improve the life chances for Looked After Children based on equality of access, opportunity and outcomes.

This policy sets out for students, staff and parents/carers how we will seek to realise this commitment. In particular:

- to ensure that school policies and procedures are followed for LAC as for all children;
- to ensure that all LAC have access to the school curriculum;
- to provide a differentiated curriculum appropriate to the individual's needs and ability;
- to ensure that LAC students take as full a part as possible in all school activities;
- to ensure that carers and social workers of LAC students are kept fully informed of their child's progress and attainment;
- to ensure that LAC students are involved, where practicable, in decisions affecting their future provision.

Looked After Children (LAC) - are one of the most vulnerable groups in society and it is nationally recognised that there is considerable educational underachievement when compared to their peers. For example, they may experience:

- a high level of disruption and change in school placements;
- lack of involvement in extracurricular activities; and/or,
- inconsistent or no attention paid to homework.
- More likely to have SEBD often as result of the trauma, early childhood experience and disruption they have experienced
- Low levels of attainment at the point of which they enter care

This may result in:

- poor exam success rates in comparison with the general population; and,
- underachievement in further and higher education.
- Increased risk of exclusion

These issues may also affect adopted young people.

The majority of children who remain in care are there because they have suffered abuse or neglect. The Every Child Matters: Change for Children program aims to improve outcomes for all children. To date the outcomes achieved by LAC have been unacceptably poor and the Government is committed to addressing this disparity. As a school we all have a part to play in this by vigorously applying the principles of good parenting by:

- giving priority to education;
- listening to children;
- providing stability and continuity;
- taking corporate responsibility;
- promoting inclusion;
- raising standards;
- intervening early; and
- celebrating success

4. Implementation

Bishopshalt School will positively welcome students who are Looked After and will offer additional support to enable them to settle into the school.

All maintained schools and academies must appoint a designated teacher who has responsibility for promoting the educational achievement for all looked after children on the roll of their school.

Schools are under an obligation to do this through their funding agreement. Maintained schools are required to appoint a designated teacher under the *Designated Teacher (Looked After Pupils etc) (England) Regulations 2009*.

The statutory guidance *The roles and responsibilities of the designated teacher for looked-after children* explains the things to which the school governing Board should have regard in relation to this role.

- ensure that all LAC have an appropriate PEP (Personal Education Plan) that is completed within 20 days of joining the school or of entering care and ensure that the young person contributes to the plan;
- keep PEPs and other records up to date and review PEPs at transfer and at six monthly intervals;

All staff will be expected to:

5. Monitoring, Review and Evaluation

Monitoring the progress of LAC

The social worker for the LAC should initiate a Personal Education Plan – PEP - within 20 days of joining the school, or of entering care, and ensure that the young person is actively involved in the development of this plan. The Designated Teacher with responsibility for LAC will ensure that individual Looked After Children are assessed on entry to the school to ensure continuity of learning and in order to track progress.

Partnership with parents/carers and care workers

At Bishopshalt School we firmly believe in developing a strong partnership with parents/carers and care workers to enable LAC to achieve their potential. Review meetings will provide an opportunity to further this partnership working.

Links with external agencies/organisations

We also recognise the important contribution that external support services make in supporting LAC. Colleagues from the following support services may be involved with individual LAC:

The school will monitor the progress of Looked After Children as a group as well as individuals to ensure that their needs are being appropriately met throughout the school.

All uses of Pupil Premium Plus will be approved by the Virtual School Head in accordance with the guidance.
