To all Year 11 Students and Parents

I would like to take this opportunity to invite you to a Sixth Form Opportunities and Information Evening on **Monday 12th November 2018** from **5.45pm (for 6.00pm start) – 8.00pm** in the main hall and surrounding classrooms.

The evening aims to explain and clarify the options and choices available at the end of this school year. The event will be a chance to hear first hand about the courses on offer at Bishopshalt School and what to expect if you choose to stay at school.

The aims of the evening are as follows:

- To inform students about the courses available at Bishopshalt School to enable students to make an informed choice in 2019;
- To highlight the key features of Sixth Form life at Bishopshalt School, including the enrichment programme;
- To ensure that students are aware of other options available to them Post 16, including work, college and training.

The evening will consist of short presentations from subject teachers and displays showing the course content and assessment methods of Post 16 options. There will also be representatives from local colleges. Teachers will be available to discuss the courses that we offer; A levels, BTECs and vocational courses. Advice will be offered on entrance requirements and expectations of students. Displays of materials, text books and information relating to courses will be available to help you make the right decision next September. The Sixth Form Prospectus will also be issued that evening, along with application forms.

It is a great opportunity to talk to teachers in an informal environment about the courses that we offer. It is especially important if you are considering a subject where the course will be new to you.

The evening is one of the most important of your school life and we strongly urge you to attend.

Yours faithfully

P Harris
