**BISHOPSHALT SCHOOL**  
*"Above all else a place for learning"*

September 2021

Dear Future Students & Families

**Re: Bishopshalt School Year 6 Open Evening**

We are very sorry that we will not be able to welcome you to Bishopshalt School for the Open Evening which was scheduled for Thursday 9<sup>th</sup> September.

We feel that having just tested our whole community and welcomed the whole school back to normal lessons and practices, it would not be prudent to allow the school and the staff to be open to visitors on the scale that Open Evening would attract.

We know that choosing a new secondary school can be confusing and a bit daunting, therefore being able to look around and meet the students and staff is an important part of the decision making process. With this in mind we have tried to make it possible for you to find out about our school, see some of our taster lessons and gain as much information as possible without actually coming into the school. All of this information can be found on the school website [www.bishopshalt.hillingdon.sch.uk](http://www.bishopshalt.hillingdon.sch.uk) from **Monday 20<sup>th</sup> September**.

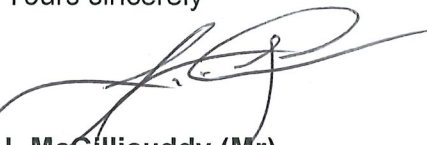

We will also be offering the parents of students who do not already a child in the school the opportunity to visit the school for a short open morning visit. The details of how you can register your interest to do so will be found on the school website as mentioned above.

We hope that our website and the virtual information provides you with enough detail to help you with your decision, however, if you do have further questions you would like to ask please email [office@bishopshalt.hillingdon.sch.uk](mailto:office@bishopshalt.hillingdon.sch.uk) and we will respond.

If you choose us and secure a place here, please be assured that every effort will be made to enable you to come into the school before you start with us. We anticipate that in July next year we will be able to provide a full induction process for all those students who will join Bishopshalt for September 2022.

Once again, if you have any further questions please don't hesitate to email and ask.

Yours sincerely
