BISHOPSHALT SCHOOL

"Above all else a place for learning"

12th September 2019

Our ref: HAR/lar/Year 13 The Year Ahead

Dear Parents

Re: Year 13 'The Year Ahead' – 17th September 2019

This letter is to inform you about '**The Year Ahead**', an important information evening for Year 13 students and their parents/carers. The aim of the evening is to provide both you and your son/daughter with key information as they embark on their final and, for many, most important academic year.

As I am sure you are aware, every year is absolutely key in securing success for your son/daughter at Bishopshalt School, but in Year 13 students will be applying for university or apprenticeships, sitting their final A level exams and submitting coursework. Year 13 is an exciting year with lots of future opportunities that lie ahead, but it can be a stressful time as the results of the year will help shape your son/daughter's future direction. This event will be hosted by myself and Mr Jones (Head of Year 13) and will enable you to effectively support your son/daughter throughout the important year ahead.

The presentation will begin at **5.00pm on Tuesday 17th September 2019 in the Main Hall** and will finish by approximately **6.15pm**.

Unfortunately, as there will also be other year groups in school on this evening, we will not be able to provide any parking on the school site, unless you require disabled access. If this is the case, please contact the school prior to the event.

At Bishopshalt we are committed to ensuring that every student realises their full potential and we fully recognise the importance of parental support in achieving this.

I very much look forward to seeing both you and your child on this very important evening.

Yours faithfully
